RE: 2019 SOCIAL SECURITY (RSDI) AND SSI COST-OF-LIVING
INCREASE AND RELATED INCREASES

PROGRAMS AFFECTED: CASH ASSISTANCE, MEDICAL ASSISTANCE
AND FOOD SUPPLEMENT PROGRAMS

ORIGINATING OFFICE: OFFICE OF PROGRAMS

Summary

Recipients of Social Security Retirement, Survivors and Disability Insurance (RSDI) and
Supplemental Security Income (SSI) will receive a 2.8% Cost of Living Adjustment (COLA) for
2019. Railroad Retirement and Veterans Benefits will also be adjusted by the same percent. This
transmittal describes the mass change process and impact of these adjustments on cash
assistance, Medical Assistance and Food Supplement Program benefits.
Effective January 1, 2019, Social Security (RSDI), SSI, Railroad Retirement and Veterans Benefits will increase by 2.8%. Local Departments of Social Services (LDSS) need to understand and apply these changes to all affected programs according to the procedures outlined below.

NOTE: Count the increase for all cash assistance, Medical Assistance and Food Supplement cases beginning with January 2019 benefits. A mass change (CARES mass modification) on December 8, 2018 updated the RSDI, SSI, Railroad Retirement and Veterans Benefits for ongoing cases in CARES effective January 1, 2019.

Please note: for Rehabilitative Residence cases, the allowable need is the cost of the Rehabilitative Residence as paid, not to exceed $54.00 per day.
III. Increase in Railroad Retirement Benefits
Railroad Retirement (RR) benefits will also be adjusted in the mass modification for January 2019.

IV. Increase in Veterans Benefits
The cost-of-living increase in the VA pension program will also be 2.8% effective January 2019. Veterans Benefits will also be adjusted in the mass modification for January 2019.

V. CARES
On December 8, 2018, the Social Security and SSI cost-of-living income adjustments (COLA) were made to CARES Assistance Units (AUs) in active or spend-down status. This process, referred to as Mass Modification, caused all assistance units to be put through batch eligibility. Batch eligibility examines each AU for all eligibility factors and determines program type, AU status and benefit level. Case Managers will receive an alert (#224 Grant Changed in Batch) for any AU with a change in status or benefit level. Also produced, if applicable, are adverse action notices.

CARES will also update the SSA and SSI income fields on cases that are in an active no pay status, providing such income is present on the UINC screen. However, eligibility will not be re-calculated or notices produced until the case is reactivated.
