

The Family Center of Washington County is currently seeking a Full Time In Home Interventionist.

This position provides home based parent education and service coordination for parents and families unable to participate in Center-based activities due to locality, or crisis situations that must be resolved before committing to Center based services. Services may include: social, emotional and education services as well as location resources to meet basic family needs. The goal is to empower families to connect to community resources and build a network or support.

Education: A bachelor's degree from an accredited college or university in an appropriate behavioral science, such as: child development, sociology, social work, psychology, counseling, nursing, criminology, juvenile justice, human growth and development, human services, mental health or human resources management that includes at least 30 credit hours in human services or human development.

Experience: None
