BENEFIT ISSUANCE	Section 413	Page 1

### 413.1 Purpose

Beginning in September 2015 and completed in January 2016, DHR expanded the Food Supplement Program (FSP) benefit issuance dates from a 10 day period from the 6<sup>th</sup> through the 15<sup>th</sup> of the month to a 20 day period from the 4<sup>th</sup> through the 23<sup>rd</sup>. This section describes the method for determining the benefit issuance dates.

### 413.2 Issuance Schedule

- A. The changes to the issuance schedule were made over several months so that participants did not have to wait more than 5 days past the old issuance date for their next month's FSP benefits.
- B. The last day benefits are issued is the 23<sup>rd</sup> of the month to allow people to buy their holiday groceries before the holiday.
- C. The issuance schedule is based on the first three letters of the head of household's last name.
