### **310.8 EXAMPLES**

Mr. Norway's sister sponsored them. Eric, the oldest child, came in 2005 as an LPR. Both Mr. and Mrs. Norway worked for 5 years, each earning at least \$10,000 per year.
  - Mrs. Norway and two of the children are eligible for federal TCA because they have been here more then 5 years.

<b>DEPARTMENT OF HUMAN RESOURCES FAMILY INVESTMENT ADMINISTRATION</b>	<b>TEMPORARY CASH ASSISTANCE MANUAL</b>	
<b>CITIZENSHIP AND IMMIGRANTS 310</b>	<b>COMAR 07.03.03.07</b>	<b>TECHNICAL ELIGIBILITY 300</b>

- Eric is eligible for federal TCA because his parents each have 20 quarters of qualified work which are added together giving 40 quarters of work
  - Mr. Norway's sister is no longer responsible for supporting the family because the 3-year period for sponsorship, that applied at the time, has expired
2. Ms. Kosovo and her son Joe entered the U.S. in January 2004 as refugees. In November 2005, she attained the status of lawfully admitted immigrant for permanent residence. Ms. Kosovo lost her job in February 2006 and applies for TCA.
- Ms. Kosovo and her son are eligible for TCA as refugees. Even though their status changed to LPR since they entered the US with refugee status they are eligible under refugee status.
3. Mr. and Mrs. Cuba entered the U.S. with their 4 children in September 2005 and were granted refugee status. The family received TCA during 2006 and 2007. Mr. Cuba begins working in October 2007 and continued working until January 2008 when he injured his back. The family again applies for TCA. They have not become citizens nor has their immigrant status changed.
- The family is eligible for federal TCA, if all other conditions of eligibility are met, because they are refugees.
4. Mr. France, who has a 14- year old daughter, Parris, marries Ms. America, a US citizen, while both are living in Italy. The family came to the U.S. in July 2004 and was given permanent resident status. Their daughter, Mary, was born in the US in 2005. Ms. America's uncle sponsored the Mr. France and Parris. In February 2005, the uncle died and the family applies for TCA.
- Although some members are eligible for federal TCA and some for state TCA, there is **one** TCA assistance unit
  - Ms. America and Mary are U.S. citizens and eligible for federal TCA
  - Mr. France and Parris are LPRs and cannot receive federal TCA benefits, but are eligible for state-funded TCA.
  - Ms. America, Parris and Mary are eligible for the Food Supplement Program (FSP)

**Note:** Make Ms. America head of household since she is eligible for all benefits

- Eligibility for state-funded benefits is coded on the ALAS screen
- Enter STATE PAID in the School Name field for TCA

5. Mrs. Green came to the United States as a student, on a visa, in 2002. She married Mr. Green in 2004. They had two children who were born in the US. Mrs. Green never had her status changed. After years of abuse and many interventions by the police, Mrs. Green left her husband, taking the children with her. She applied for permanent residence status and for TCA in March 2008 because her husband cut off all support.

- The two children are U.S. citizens and eligible for federally funded TCA
- Mrs. Green satisfies all the conditions to be a qualified immigrant under battered spouse criteria, but is not eligible for federal TCA because she has not been in the U.S. as a qualified immigrant for 5 years. She does not have sufficient work quarters, neither she nor Mr. Green were in the military and she is not a refugee, asylee, or parolee, etc.
- Mrs. Green is eligible for state-funded TCA, but not MA or food stamps
