B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned bidder hereby certifies and agrees that the following information is correct: In preparing its bid on this project, the bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in §19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid. As part of its bid or proposal, the bidder herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the bidder discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the bid or proposal;
(3) Fail to use the certified minority business enterprise in the performance of the contract; or

(4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid.

15.6 An act, failure to act, or decision of a procurement officer or a representative of the Department, concerning a withheld payment between the Contractor and subcontractor under Section 15 herein, may not affect the rights of the contracting parties under any other provision of law, be used as evidence on the merits of a dispute between the Agency and the contractor in any other proceeding, or result in liability against or prejudice the rights of the Department.

The Contractor shall not discriminate against any employee or applicant for employment because of marital status, race, color, religion, sex, age, physical or mental disability, national origin, or sexual orientation. The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without discrimination because of their race, color, religion, sex, age, physical or mental disability, national origin, or sexual orientation. The Contractor agrees that, in providing any aid, benefit, service, program, or activity, under this Contract on behalf of the Department, it will not: (a) deny any individual the opportunity to participate in or benefit from the aid, benefit or service equal to that provided others; (b) provide a qualified individual with a disability with any aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others; (c) provide different or separate aid, benefits, or service to individuals or classes of individuals with disabilities than is provided to others unless such action is necessary to provide qualified individuals with disabilities with aids, benefits, or services that are as effective as those provided to others; (d) deny a qualified individual with a disability the opportunity to participate as a member of any planning or advisory boards; or, (e) otherwise limit opportunity enjoyed by others receiving the aid, benefit, or service. The Contractor agrees further to not utilize criteria or methods of administration that have the effect of subjecting anyone to discrimination on the basis of disability, or have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the Department of Human Resources’ program with respect to individuals with disabilities.

18. CONFIDENTIALITY AND SAFEGUARDING CLIENT INFORMATION

Except in accordance with a court order, neither party shall use or disclose any information concerning a recipient of the services provided under this Contract for any purposes not directly connected with the administration of such services, except upon written consent of the other party and the recipient or his/her responsible parent,
guardian, or legal representative or as required by §§ 10-611, et seq., State Government Article and Human Services Article §§ 1-201 to 1-205, Maryland Annotated Code and COMAR 07.01.07.

Nothing in this Contract shall prevent the Department or the Contractor from using and disclosing statistical data derived from information concerning a recipient of the services provided under this Contract so long as that statistical data does not identify any recipient of such services.

19. DELAYS AND EXTENSIONS OF TIME

The Contractor agrees to perform this Contract continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions may be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a State Contract, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or the delays of a subcontractor or supplier arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor, subcontractor, or suppliers.

20. INDEMNIFICATION

20.1 The Contractor shall indemnify the State against liability for any suits, actions, or claims of any character arising from or relating to the performance of the Contractor or its subcontractors under this Contract.

20.2 The State has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor’s obligations under this Contract.

20.3 The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor’s obligations under this Contract. The State shall only be liable up to the amount for which it is found liable under the Maryland Tort Claims Act, §§ 12-101, et seq., State Government Article, Annotated Code of Maryland.

20.4 The Contractor shall immediately notify the State Project Manager of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor’s obligations under the Contract, and will cooperate, assist, and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of or relating to the Contractor’s performance under this Contract.
21. SUSPENSION OF WORK

The State Project Manager unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the State may determine to be appropriate for the benefit of the Department.

22. TERMINATION FOR CONVENIENCE

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or, from time to time, in part, whenever the State Project Manager shall determine that such termination is in the best interest of the State. The State will ensure that the Contractor is paid for all reasonable, allowable and allocable costs associated with the termination of this Contract. However, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by COMAR 21.07.01.12A (2).

23. TERMINATION FOR DEFAULT

If the Contractor fails to fulfill its obligations under this Contract properly and in a timely manner, or otherwise violates any provision of the Contract, the State may terminate the Contract for default. The State Project Manager shall give the Contractor thirty (30) days prior written notice of such default, and if the Contractor has not submitted a corrective action plan within seven (7) days and cured such default within the thirty (30) day period, the State Project Manager may, by written notice, within five (5) days after expiration of this period, terminate the Contract. The notice shall specify the acts or omissions relied on as cause for termination. All finished or unfinished supplies and services provided by the Contractor shall, at the State’s option, become the Department’s property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance up to the effective date of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

24. DISPUTES

This Contract shall be subject to the provisions of Title 15, Subtitle 2, State Finance and Procurement Article, Annotated Code of Maryland, and COMAR 21.10. (Administrative and Civil Remedies). Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Contracts Administrator's decision. Unless a lesser period is provided by statute, regulation, or this Contract, the Contractor must file a written notice of claim with the State Project Manager within thirty (30) days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within thirty (30) days of
the filing of a notice of claim, but no later than the date of final payment under this Contract, the Contractor must submit to the State Project Manager its written claim containing the information specified in COMAR 21.10.04.02.

25. MERGER, AMENDMENTS, AND/OR MODIFICATIONS

This Contract, together with the Attachments attached hereto and incorporated herein by reference, represents the complete, entire, total and final Contract between the Department and the Contractor. No other understanding or representation, oral or written, regarding the subject matter of this Contract, shall be deemed to exist or to bind the Department and the Contractor hereto, and any such understanding or representation existing prior to the execution of this Contract is hereby specifically and entirely superseded thereby. The Department and the Contractor expressly reserve the right to amend, alter, vary, modify or waive any provision of this Contract provided only that:

A. Such amendment, alteration, variation, modification, or waiver must first be approved in writing by the State Project Manager, subject to any additional approvals required by State law; and

B. After the provisions of (a) above have been fully satisfied, such amendment, alteration, variation, modification, or waiver shall be valid only when reduced to a writing which has been duly signed by each and every signatory to the original of this Contract or, in the alternative, to any and all legal successors to the aforesaid signatories.

The Parties hereby expressly acknowledge the possibility of substantial changes in federal regulations applicable to the Contract and expressly agree to renegotiate this Contract as necessary to comply with such changes.

25.1 The Parties expressly reserve the right to extend the term of the Contract, without additional cost to the State beyond the NTE amount identified in Section 5.1 herein and for services provided beyond the original term of the Contract, provided the extension is for a reasonable, limited, and defined time, and provided that the scope of work under the extension is the same as the original Contract. It is also agreed that all such modifications shall be reduced to writing, signed by the Parties, and may be subject to approval by the Board of Public Works.

26. FINANCIAL DISCLOSURE

The Contractor shall comply with the provisions of §13-221 of the State Finance and Procurement Article, Annotated Code of Maryland, which requires that every business that enters into contracts, leases or other contracts with the State or its agencies during a calendar year under which the business is to receive in the aggregate $100,000 or more shall, within thirty (30) days of the time when the aggregate value of these contracts, leases or other contracts reaches $100,000, file with the Secretary of State of Maryland a list that contains the name and addresses of: any resident agent of the business; each
officer of the business; and if, known, each person who has beneficial ownership of the business.

27. **POLITICAL CONTRIBUTION DISCLOSURE**

The Contractor shall comply with §§ 14-101 through 14-108, Election Law Article, Annotated Code of Maryland, which requires that every person that enters into contracts, leases or other contracts with the State, a county, or an incorporated municipality, or their agencies, during any 12-month period in which the person receives in the aggregate $100,000 or more, shall file with the State Administrative Board of Election Laws a statement disclosing contributions in excess of $500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Administrative Board of Election Laws:

A. Before a purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two (2) calendar years; and

B. If the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on:

   (i) February 5, to cover the six (6)-month period ending January 31; and
   (ii) August 5, to cover the six (6)-month period ending July 31.

28. **RETENTION OF RECORDS**

The Contractor shall retain all books, records, including documents that reflect all direct or indirect costs expended in the performance of this Contract for a period of no less than three (3) years after the date of final payment, in accordance with COMAR 21.07.01.21.

29. **RIGHTS TO RECORDS**

29.1 The Contractor agrees that all documents and materials, including, but not limited to, reports, work papers, studies, computations, and data prepared by the Contractor for purposes of this Contract shall be the sole property of the Department and shall be available to the Department at any time. To the extent that the Contractor incorporates any of its materials, reports or data into the documents and materials delivered under any Deliverable, the Contractor hereby grants to the State a royalty-free, non-exclusive right to use such Contractor’s information solely for the State’s use and that of its agents.

29.2 Notwithstanding anything to the contrary in this Contract, Contractor shall have the right to retain a copy of all its work papers and administrative records but shall not be entitled to use such documents except for the benefit of the State or the Contractor’s internal record keeping requirements.
29.3 At any time during normal business hours, and as deemed necessary by the State, the Contractor agrees that the State or any of its duly authorized representatives shall have access to and the right to audit any supporting document, including but not limited to all of the records stated above, for a period of five (5) years after completion of the Contract, final payment by the State, or any applicable statute of limitations, whichever is longer. The Contractor shall permit the State to make excerpts or transcripts from the photocopies of all such records the State auditor deems appropriate. The Contractor further agrees that the independent CPA or firm hired by the Contractor will allow the Department to examine any of the working papers considered or used in preparing the audit for the time period detailed above. The Contractor shall give the State or any of its duly authorized representatives explicit authorization to review and copy any records maintained by another government agency which are related to the expenditures incurred by the Contractor in the performance of services under this Contract or in compliance with this Contract and applicable laws and regulations. These agencies may include, but are not limited to, the Comptroller of the Treasury, State Department of Assessments and Taxation, and State Unemployment Insurance Fund. The Contractor acknowledges that the Department is authorized by it to review and copy any such records, and hereby certifies that its execution of this Contract is evidence of this authorization and may be construed by these agencies as authorizing the release of any such records to the Department upon the request of the Department, with no further written authorization from the Contractor being necessary.

29.4 The State, or its employees, agents or designees, including auditors in the Office of Inspector General, may make unannounced visits to the Contractor’s facility at any time. In all other instances, the Contractor shall make its facility available for inspection or visits by the State upon two (2) business days notice.

30. LOSS OF DATA

In the event of loss of any data or records necessary for the performance of this Contract, where such loss is due to the error or negligence of the Contractor, subcontractors, or agents, the Contractor shall be responsible, irrespective of cost to the Contractor, for recreating such lost data or records on a schedule set by the State Project Manager.

31. CONTINGENT FEE PROTECTION

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, agent, or salesperson, or commercial selling agency working for the Contractor, to solicit or secure this Contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or salesperson, or commercial selling agency, any fee or other consideration contingent on the making of this contract.

32. COMMERCIAL NONDISCRIMINATION
32.1 As a condition of entering into this Agreement, Contractor represents and warrants that it will comply with the State’s Commercial Nondiscrimination Policy, as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

32.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by DHR, in all sub-contracts.

32.3 As a condition of entering into this Agreement, upon the Maryland Human Relations Commission’s request, and only after the filing of a complaint against Contractor under Title 19 of the State Finance and Procurement Article, as amended from time to time, Contractor agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past 4 years on any of its contracts that were undertaken within the state of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State’s Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, and to provide any documents relevant to any investigation that is requested by the State. Contractor understands that violation of this clause is a material breach of this Agreement and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

B. Title to all property purchased by the Department shall remain in the Department. Title to all property acquired by the Contractor at a cost of over five hundred ($500) dollars including purchase by lease-purchase
agreement for the cost of which the Contractor is to be reimbursed under this contract, shall immediately vest in the Department upon (i) issuance for use of such property in the performance of this Contract, or (ii) reimbursement of the cost thereof by the Department, whichever occurs first.

C. The Contractor shall maintain and administer in accordance with sound business practice a program for the maintenance, repair, protection, and preservation of the Department’s property so as to assure its full availability and usefulness for the performance of this Contract.

D. The Department’s property shall, unless otherwise provided herein, or approved in writing by the Department, be used only for the performance of this Contract.

E. In the event that the Contractor is indemnified, reimbursed, or otherwise compensated for any loss or destruction of or damage to the Department’s property, it shall use the proceeds to repair, renovate, or replace the Department’s property involved, or shall credit such proceeds against the cost of the work covered by the Contract, or shall otherwise reimburse the Department as directed by the Department.
