

# CHILD SUPPORT **PAYMENT INCENTIVE PROGRAM**

The program encourages noncustodial parents (NCP) to make consistent child support payments by:

- Reducing state-owed arrears by half if the NCP makes full child support payments for a year.
- Eliminating the balance owed if the (NCP) makes full child support payments for two years.

Credit will be given for uninterrupted court ordered payments made immediately prior to participation in the program.

Consideration will be given for periods of unemployment due to seasonal work and no-fault termination.
