*Due to the 2025 federal shutdown, DHS provided the full \$50 supplemental SNAP benefit typically paid in partnership with the federal government to MSS recipients at the end of October 2025. November 2025 includes \$2,685,524 in state funds that were issued to make whole Marylanders who received only a partial SNAP benefit due to the shutdown. The state's typical share would have been \$706,902. P.L. 119-37, Section 118 provides that states shall be reimbursed for expenses that would have been paid by the federal government to continue carrying out the federal SNAP program. As of February 27, 2026, we have not received any formal guidance from USDA on how to submit for reimbursement of those state-issued SNAP benefits. DHS has been asking USDA to provide that formal guidance since November 2025. We will continue to work with USDA on securing the reimbursement of these funds.

*For the August 2025 PAA data there is not a decline. It is the way the end of month batch was done. Approximately half were in August 2025 and the other portion was in the beginning of September 2025. Therefore, the September 2025 expenditure data is higher than normal & recipient data is in the normal range as it is unduplicated recipients (meaning all recipients are only counted once even though they received a dual payment).

*For the August 2025 PAA data there is not a decline. It is the way the end of month batch was done. Approximately half were in August 2025 and the other portion was in the beginning of September 2025. Therefore, the September 2025 expenditure data is higher than normal & recipient data is in the normal range as it is unduplicated recipients (meaning all recipients are only counted once even though they received a dual payment).

**For Worcester County in December 2025 the amount is negative due to the recoveries being higher than the issuances.
