SUMMARY

Recipients of Social Security Retirement Survivors and Disability Insurance (RSDI) and Supplemental Security Income (SSI) will receive a 8.7% Cost of Living Adjustment (COLA) for 2023. Railroad Retirement and Veterans Benefits will also be adjusted by the same percentage. This transmittal describes the mass change process, and the impact of these adjustments on Cash Assistance (CA), Medical Assistance (MA), and the Supplemental Nutrition Assistance Program (SNAP) benefits.

ACTION REQUIRED

Effective January 1, 2023, Supplemental Security Income (SSI), Social Security Retirement, Survivors and Disability Insurance (RSDI), Railroad Retirement, and Veterans Benefits will increase by 8.7%. The Local Departments of Social Services (LDSS) need to understand and apply these changes to all affected programs according to the procedures outlined below.

NOTE: Count the increase for all CA, MA, and SNAP cases beginning with January 2023 benefits. A mass modification will take place on January 1, 2023, for the Eligibility and Enrollment System (E&E) to update a change in SSI, RSDI, Railroad Retirement, and Veterans Benefits.

Important Reminder - Due to the Public Health Emergency (PHE), active MA cases should not be closed if the COLA increase causes the household to exceed the income limit.
