  3. below. Households that are not categorically eligible for SNAP benefits will have net monthly incomes that are lower than or equal to the amounts shown on the “Maximum Gross Monthly Income 130% of Federal Poverty Level” column on the table below.
  4. Find the allotment by reading in the Basis of Issuance Tables, down to the appropriate income and across to the appropriate household size.

**NOTE:** A household that is categorically eligible is entitled to any allotment shown in the appropriate column on the tables. Persons in household sizes of one or two and categorically eligible are eligible for a monthly benefit of \$24. Even if the tables do not show a benefit amount at their net income levels.
