

Maryland Women and the Impact of the COVID-19 Pandemic Survey - CLOSING DATE EXTENDED TO OCTOBER 15

There's still time to make your voice, your experience heard!

The Maryland Commission for Women is conducting an online survey to determine the impact of the COVID-19 pandemic on the women of our state, how they experienced the pandemic, and what is needed to begin a “new normal.”

We invite women from all walks of life and from every jurisdiction in the state who are at least 18 years old to participate. The questionnaire is available in English, Spanish, Chinese, Korean and French and takes less than 15 minutes to complete. All responses will be completely anonymous.

The survey closes October 15 at 5 p.m. Let's be sure Maryland women's voices are heard! Take the survey today! Share the link with others.
