<p>**Households are eligible for GARA and EARA once every five years unless they qualify for a Vulnerable Population Waiver. Denial rates are high due to Local Agencies screening all applicants for these benefits if they have \$300 or more in past due utility bills.</p> <p>** The Crisis program ended on 3/31/2025. Applications were completed before the end of the program and EDS'd in the month of April and May.</p>
