1.1 Summary Statement

The Department of Human Services (Department or DHS), Child Support Administration (CSA), intends to acquire the services of multiple Grantees to operate programs providing access and visitation services to non-custodial parents and their children. The services include mediation (both voluntary and mandatory), counseling, education, development of parenting plans, visitation enforcement (including monitoring, supervision and neutral drop-off and pick-up), and maintaining and implementing standard procedures to maximize safety for all persons, including the children.

The Department intends to award up to five (5) Grants (one grant award per region – see chart in section 3.1) to the highest ranked Applicants as a result of this RFGP.

Applicants may not submit a Proposal for more than one region.

Eligible applicants include public, non-public, or private organizations in the State. There is a 10% in-kind match required of all Grantees for this solicitation.

The grants will be awarded for approximately four (4) years with an estimated start date of July 1, 2022 and end date of September 30, 2026. The total Grant amount combined for all regions may not exceed $157,508 per year. Each grant award under this solicitation will receive a portion of that amount based on the regions awarded.

Questions will also be accepted subsequent to the Conference and should be submitted to the Procurement Officer (see above email address) in a timely manner prior to the Proposal due date. Questions are requested to be submitted at least five (5) days prior to the Proposal due date. 1.9 Multiple or Alternate Proposals will not be accepted

1.10 Economy of Preparation

Proposals should be prepared simply and economically and provide a straightforward and concise description of the Applicant’s Proposal to meet the requirements of this RFGP.

1.11 Public Information Act Notice

An Applicant should give specific attention to the clear identification of those portions of its Proposal that it considers confidential and/or proprietary commercial information or trade secrets, and provide justification why such materials, upon request, should not be disclosed by the State under the Public Information Act, Md. Code Ann., General Provisions Article, Title 4, Subtitle 3. (Also, see RFGP Section 4.4.2.2 “Claim of Confidentiality”). This confidential and/or proprietary information should be identified by page and section number and placed after the Title Page and before the Table of Contents in the Technical Proposal and if applicable, separately in the Financial Proposal.

Applicants are advised that, upon request for this information from a third party, the Procurement Officer is required to make an independent determination whether the information must be disclosed.
1.12 Award Basis

The Grants shall be awarded to the responsible Applicant(s) submitting a Proposal that has been determined to be the most advantageous to the State, considering price and evaluation factors set forth in this RFGP for providing the goods and services as specified in this RFGP. See RFGP Section 5 for further award information.

1.13 Oral Presentation

Applicants may be required to make oral presentations to State representatives. Applicants must confirm in writing any substantive oral clarification of, or change in, their Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Applicant’s Proposal and are binding if the Grant is awarded. The Procurement Officer will notify Applicants of the time and place of oral presentations.

1.14 Duration of Proposal

Proposals submitted in response to this RFGP are irrevocable for 120 days following the closing date for submission of Proposals or best and final offers if requested. This period may be extended at the Procurement Officer’s request only with the Applicant’s written agreement.

1.15 Revisions to the RFGP

If it becomes necessary to revise this RFGP before the due date for Proposals, the Department shall endeavor to provide addenda to all prospective Applicants that were sent this RFGP or which are otherwise known by the Procurement Officer to have obtained this RFGP. In addition, addenda to the RFGP will be posted on the Department’s procurement web page. It remains the responsibility of all prospective Applicants to check the website for any addenda issued prior to the submission of Proposals. Addenda made after the due date for Proposals will be sent only to those Applicants that submitted a timely Proposal and that remain under award consideration as of the issuance date of the addenda.

Acknowledgment of the receipt of all addenda to this RFGP issued before the Proposal due date shall be included in the Transmittal Letter accompanying the Applicant’s Technical Proposal. Acknowledgement of the receipt of addenda to the RFGP issued after the Proposal due date shall be in the manner specified in the addendum notice. Failure to acknowledge receipt of an addendum does not relieve the Applicant from complying with the terms, additions, deletions, or corrections set forth in the addendum.
1.16 Cancellations

The State reserves the right to cancel this RFGP, accept or reject any and all Proposals, in whole or in part, received in response to this RFGP, to waive or permit the cure of minor irregularities, and to conduct discussions with all qualified or potentially qualified Applicants in any manner necessary to serve the best interests of the State. The State also reserves the right, in its sole discretion, to award a Grant based upon the written Proposals received without discussions or negotiations.

1.17 Incurred Expenses

The State will not be responsible for any costs incurred by any Applicant in preparing and submitting a Proposal, in making an oral presentation, in providing a demonstration, or in performing any other activities related to submitting a Proposal in response to this solicitation.

1.18 Applicant Responsibilities

The selected Applicant shall be responsible for all products and services required by this RFGP. All subcontractors must be identified and a complete description of their role relative to the Proposal must be included in the Applicant’s Proposal.

If an Applicant that seeks to perform or provide the services required by this RFGP is the subsidiary of another entity, all information submitted by the Applicant, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Applicant, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Applicant’s Proposal shall contain an explicit statement that the parent organization will guarantee the performance of the subsidiary.

A parental guarantee of the performance of the Applicant under this Section will not automatically result in crediting the Applicant with the experience and/or qualifications of the parent under any evaluation criteria pertaining to the Applicant’s experience and qualifications. Instead, the Applicant will be evaluated on the extent to which the State determines that the experience and qualification of the parent are transferred to and shared with the Applicant, the parent is directly involved in the performance of the Grant, and the value of the parent’s participation as determined by the State.

1.19 Mandatory Grant Terms

By submitting a Proposal in response to this RFGP, an Applicant, if selected for award, shall be deemed to have accepted the terms and conditions of this RFGP and the Grant, attached herein as Attachment A. Any exceptions to this RFGP or the Grant shall be clearly identified in the Executive Summary of the Technical Proposal. A Proposal that takes exception to these terms may be rejected (see RFGP Section 4.4.2.4).
1.20  Bid/Proposal Affidavit

A Proposal submitted by an Applicant must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as Attachment B of this RFGP.

1.21  Compliance with Laws/Arrearages

By submitting a Proposal in response to this RFGP, the Applicant, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Grant.

By submitting a response to this solicitation, each Applicant represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the Grant if selected for Grant award.

1.22  Verification of Registration and Tax Payment

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803; 301 West Preston Street, Baltimore, Maryland 21201. The SDAT website is https://dat.maryland.gov/Pages/sdatforms.aspx.

It is strongly recommended that any potential Applicant complete registration prior to the due date for receipt of Proposals. An Applicant’s failure to complete registration with SDAT may disqualify an otherwise successful Applicant from final consideration and recommendation for Grant award.

1.23  False Statements

Applicants are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

1.23.1  In connection with a solicitation a person may not willfully:

(a)  Falsify, conceal, or suppress a material fact by any scheme or device;
(b)  Make a false or fraudulent statement or representation of a material fact; or
(c)  Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.

1.23.2  A person may not aid or conspire with another person to commit an act under subsection (1) of this section.
1.23.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding $20,000 or imprisonment not exceeding five years or both.

1.24 Payments by Electronic Funds Transfer

By submitting a response to this solicitation, the Applicant agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller’s Office grants an exemption. Payment by EFT is mandatory for Grants exceeding $100,000. The selected Applicant shall register using the **COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form**. Any request for exemption must be submitted to the State Comptroller’s Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller’s website at: [https://dda.health.maryland.gov/Pages/Developments/2015/gadx-10.pdf](https://dda.health.maryland.gov/Pages/Developments/2015/gadx-10.pdf)

1.25 Prompt Payment Policy

This solicitation and the Grant(s) to be awarded pursuant to this solicitation are subject to the Prompt Payment Policy Directive issued by the Governor’s Office of Small, Minority & Women Business Affairs (GOSBA) and dated August 1, 2008. Promulgated pursuant to Md. Code Ann., State Finance and Procurement Article, §§ 11-201, 13-205(a), and Title 14, Subtitle 3, and COMAR 21.01.01.03 and 21.11.03.01, the Directive seeks to ensure the prompt payment of all subcontractors on non-construction contracts/grants. Additional information is available on GOSBA’s website at: [http://www.gomdsmallbiz.maryland.gov/documents/legislation/promptpaymentfaqs.pdf](http://www.gomdsmallbiz.maryland.gov/documents/legislation/promptpaymentfaqs.pdf).

SECTION 3 – SCOPE OF WORK

3.1 Background and Purpose

The State is issuing this solicitation for the purposes of identifying organizations that will provide a variety of Access and Visitation (AV) Services in accordance with Federal OCSE Access and Visitation Grant Program policy. The overall goal of this solicitation is to increase parenting time for non-custodial parents and their children with the hope of increasing compliance of child support payments by the non-custodial parents.

Customers to be served consist of non-custodial parents, absent fathers, or parents of children that receive Title IV-D funds. Grantees’ AV programs must be designed to target this population and facilitate visitation between non-custodial parents and their children as well as encourage compliance with child support orders. Additionally, grantees are expected to work with their local Child Support Office, judiciary authority and community partners to best serve the target population.

Since 1992, the Department has provided comprehensive employment and support services to fathers who are at risk of forsaking their parental responsibilities. With funding from the OCSE’s AV Grant Program, Maryland, through the competitive grant process, has been able to build on its successful series of father-focused services by developing programs that facilitate access and visitation between non-custodial parents and their children.

In Federal Fiscal Year 2019, Maryland's Child Support Program totaled 183,294 cases, approximately 87% (159,030) of which had child support orders. Of those with child support orders, 151,383 were in arrears and, of those in arrears, 106,823 approximately 71% made overdue payments.

In Federal Fiscal Year 2020, Maryland's Child Support Program totaled 179,984 cases, approximately 86% (154,631) of which had child support orders. Of those with child support orders, 146,389 were in arrears and, of those in arrears, 112,158 approximately 77% made overdue payments.

In Federal Fiscal Year 2021, Maryland's Child Support Program totaled 173,362 cases, approximately 86% (149,793) of which had child support orders. Of those with child support orders, 134,647 were in arrears and, of those in arrears, 94,189 approximately 70% made overdue payments.

NOTE: The calculations are from the OCSE 157 Annual Performance Report which is received from the U.S. Department of Health and Human Services Administration for Children and Families Office of Child Support Enforcement. This is an annual report titled the Child Support Enforcement Annual Data Report.

According to the U.S. Department of Health and Human Services, Office of Inspector General, non-custodial parents who have their access and visitation disputes mediated are more likely to have increased involvement with their children and pay more child support. Although Federal and State child support guidelines ensure the enforcement of a non-
custodial parent's financial and medical support obligations, there is no comparable mandate that ensures a non-custodial parent's right to visitation.

According to the annual Federal "State and Local Child Access Program Survey" for Federal Fiscal Year 2019, Maryland Access and Visitation vendors served 561 parents and caretakers and 274 children. Non-custodial parents participated in 305 mediation activities, 56 counseling sessions and customers had developed 339 parenting plans. Additionally, vendors provided 140 supervised visitation and visitation enforcement activities including therapeutic monitoring, supervised visitation, and neutral drop-off services. This data coupled with child support caseload and collection statistics indicate the continued need for access and visitation services in Maryland.

According to the annual Federal "State and Local Child Access Program Survey" for Federal Fiscal Year 2020, Maryland Access and Visitation vendors served 533 parents and caretakers and 432 children. Vendors provided 31 mediations, 138 parenting plans, 582 supervised visitation and 105 visitation enforcement activities including therapeutic monitoring, supervised visitation, and neutral drop-off services. This data coupled with child support caseload and collection statistics indicate the continued need for access and visitation services in Maryland.

The chart below provides a summary of the AV reporting activity and program participants between 2018-2020. The data provided above and, in the chart, below are provided for historical purposes only and not a guarantee of actual participants or customers to be served.

4.4.1 Format of Technical Proposal

The RFGP sections are numbered for ease of reference. Section 4.4.2 sets forth the order of information to be provided in the Technical Proposal, e.g., Section 4.4.2.1 “Title and Table of Contents,” Section 4.4.2.2 “Claim of Confidentiality,” Section 4.4.2.3 “Transmittal Letter,” Section 4.4.2.4 “Executive Summary,” etc. In addition to the instructions below, responses in the Applicant’s Technical Proposal should reference the organization and numbering of Sections in the RFGP (ex. “Section 3.2.1 Response . . .; “Section 3.2.2 Response . . .,” etc.). This Proposal organization will allow State officials and the Evaluation Committee (see RFGP Section 5.1) to “map” Applicant responses directly to RFGP requirements by Section number and will aid in the evaluation process.

4.4.2 The Technical Proposal shall include the following documents and information in the order specified as follows. Each section of the Technical Proposal shall be separated by a TAB as detailed below:

4.4.2.1 Title Page and Table of Contents (Submit under TAB A)

The Technical Proposal should begin with a Title Page bearing the name and address of the Applicant and the name and number of this RFGP. A Table of Contents shall follow the Title Page for the Technical Proposal, organized by section, subsection, and page number.

4.4.2.2 Claim of Confidentiality (If applicable, submit under Tab A-1)

Any information which is claimed to be confidential is to be noted by reference and included after the Title Page and before the Table of Contents, and if applicable, also in the Applicant’s Financial Proposal. An explanation for each claim of confidentiality shall be included (see Section 1.11 “Public Information Act Notice”). The entire Proposal cannot be given a blanket confidentiality designation. Any confidentiality designation must apply to specific sections, pages, or portions of pages of the Proposal.

4.4.2.3 Transmittal Letter (Submit under TAB B)

A Transmittal Letter shall accompany the Technical Proposal. The purpose of this letter is to transmit the Proposal and acknowledge the receipt of any addenda. The Transmittal Letter should be brief and signed by an individual who is authorized to commit the Applicant to the services and requirements as stated in this RFGP. The Transmittal Letter should include the following:

- Name and address of the Applicant;
● Name, title, e-mail address, and telephone number of primary contact for the Applicant;
● Solicitation Title and Solicitation Number that the Proposal is in response to;

● Acknowledgement of all addenda to this RFGP.

4.4.2.4 Executive Summary (Submit under TAB C)

The Applicant shall condense and highlight the contents of the Technical Proposal in a separate section titled “Executive Summary.” The Summary should identify the Service Category(ies) and Region(s) for which the Applicant is proposing to provide services (if applicable). The Summary shall also identify any exceptions the Applicant has taken to the requirements of this RFGP, the Grant (Attachment A), or any other attachments. Exceptions to terms and conditions may result in having the Proposal deemed unacceptable or classified as not reasonably susceptible of being selected for award.

If the Applicant has taken no exceptions to the requirements of this RFGP, the Executive Summary shall so state.

4.4.2.5 Minimum Qualifications Documentation (If applicable, Submit under TAB D)

The Applicant shall submit any Minimum Qualifications documentation that may be required, as set forth in Section 2 “Applicant Minimum Qualifications” (if references are required as proof of meeting any Minimum Qualification(s), see Section 4.4.2.9).

### SECTION 5 – EVALUATION COMMITTEE, EVALUATION CRITERIA, AND SELECTION PROCEDURE

#### 5.1 Evaluation Committee

Evaluation of Proposals will be performed in accordance with COMAR 21.05.03 by a committee established for that purpose and based on the evaluation criteria set forth below. The Evaluation Committee will review Proposals, participate in Applicant oral presentations and discussions, and provide input to the Procurement Officer. The Department reserves the right to utilize the services of individuals outside of the established Evaluation Committee for advice and assistance, as deemed appropriate.

#### 5.2 Technical Proposal Evaluation Criteria

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance. Unless stated otherwise, any sub criteria within each criterion have equal weight.

5.2.1 Applicant’s Technical Response to RFGP Requirements and Work Plan (See RFGP § 4.4.2.6) The State prefers an Applicant’s response to work requirements in the RFGP that illustrates a comprehensive understanding of work requirements and mastery of the subject matter, including an explanation of how the work will be done. Proposals which include limited responses to work requirements such as “concur” or “will comply” will receive a lower ranking than those Proposals that demonstrate an understanding of the work requirements and include plans to meet or exceed them.
5.2.2 Applicant Qualifications and Capabilities (See RFGP § 4.4.2.7) and sections 4.4.2.9 – 4.4.2.14)

5.2.3 Experience and Qualifications of Proposed Staff, including proposed Subcontractors (See RFGP § 4.4.2.8)

5.2.4 Security Procedures (See RFGP Section 3.2.1)

<td>The Grant will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at COMAR 21.05.03. The RFGP process allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the State may conduct discussions with all Applicants that have submitted Proposals that are determined to be reasonably susceptible of being selected for grant award or potentially so. However, the State reserves the right to make an award without holding discussions. In either case (i.e., with or without discussions), the State may determine an Applicant to be not responsible and/or an Applicant’s Proposal to be not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to Grant award. If the State finds an Applicant to be not responsible and/or an Applicant’s Technical Proposal to be not reasonably susceptible of being selected for award, that Applicant’s Financial Proposal will be returned if the Financial Proposal is unopened at the time of the determination.</td>

| 5.4.2 Selection Process Sequence |
| 5.4.2.1 Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations and discussions may be held. The purpose of such discussions will be to assure a full understanding of the State’s requirements and the Applicant’s ability to perform the services, as well as to facilitate arrival at a Grant that is most advantageous to the State. Applicants will be contacted by the State as soon as any discussions are scheduled. |
5.4.2.2 Applicants must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Applicant’s Technical Proposal. Technical Proposals are given a final review and ranked.

5.4.2.3 The Financial Proposal of each Qualified Applicant (a responsible Applicant determined to have submitted an acceptable Proposal) will be evaluated as described in Section 5.3. Financial Proposals will not be ranked.

5.4.2.4 When in the best interest of the State, the Procurement Officer may permit Qualified Applicants to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The State may make an award without issuing a request for a BAFO.

5.4.3 Award Determination

Upon completion of the Selection Process Sequence described in Section 5.4.2, each Applicant will receive an overall ranking. The Procurement Officer will recommend award of the Grant to the responsible Applicant that submitted the Proposal determined to be the most advantageous to the State. In making this most advantageous Proposal determination, technical factors will receive greater weight than financial factors.

5.5 Documents Required upon Notice of Recommendation for Grant Award

Upon receipt of a Notification of Recommendation for Grant Award, the following documents shall be completed, signed if applicable with original signatures, and submitted by the recommended awardee within five (5) Business Days, unless noted otherwise. Submit three (3) copies of each of the following documents:

4.14. Commercial Non-Discrimination: As a condition of entering into this Grant Agreement, upon the Maryland Human Relations Commission’s request, and only after the filing of a complaint against the GRANTEE under Title 19 of the State Finance and Procurement
Article, as amended from time to time, the GRANTEE agrees to: provide to the State, within 60 days after the request, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that the GRANTEE has used in the past four (4) years of any of its Grant Agreements that were undertaken within the State of Maryland including the total dollar amount paid by the GRANTEE on each subcontract or supply contract. The GRANTEE further agrees to cooperate in any investigation conducted by the State pursuant to the State’s Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, to provide any documents relevant to any investigation that is requested by the State. The GRANTEE understands and agrees that violation of this clause shall be considered a material breach of this agreement and may result in grant termination, disqualification by the State from participating in State Grant Agreements, and other sanctions.

4.15. All parties hereby expressly acknowledge the possibility of substantial changes in State and federal regulations applicable to this Grant Agreement and expressly agree to renegotiate this Agreement as necessary to comply with such changes; provided that any increase in the scope of work or cost of performance will be compensated for by a budget increase or, in the alternative, by modifying the scope of work to reduce the cost of performance.

The GRANTEE will provide to the DEPARTMENT a copy of that part of any audit performed by State or independent auditors which relates to the performance of this Grant Agreement and the administration of funds provided by the DEPARTMENT pursuant to this Grant Agreement. Any additional audit information requested by the DEPARTMENT may be secured at its own expense using Department of Human Services auditors or other State-approved auditors.

4.17. (a) GRANTEE shall obtain written approval of the DEPARTMENT for any purchase of assets with funds paid under this Grant, excluding ordinary office supplies, except that such is not required with regard to purchase of assets described in the Appendix attached hereto.

(d) The DEPARTMENT'S property shall, unless otherwise provided herein, or approved in writing by the DEPARTMENT, be used only for the performance of this grant.

(e) In the event that the GRANTEE is indemnified, reimbursed, or otherwise compensated for any loss or destruction of or damage to the DEPARTMENT'S property, it shall use the proceeds to repair, renovate, or replace the DEPARTMENT'S property involved, or shall credit such proceeds against the cost of the work covered by the grant, or shall otherwise reimburse the DEPARTMENT as directed by the DEPARTMENT.

(f) At the conclusion of the term of this grant, the GRANTEE shall deliver to the DEPARTMENT a listing of all the DEPARTMENT'S property purchased hereunder, showing the following information as to each property item:

   (i) description of the property;
   (ii) manufacturer's serial number or other identification number;
   (iii) acquisition date and cost;
   (iv) source of the property;
   (v) percentage of Federal funds used in acquisition of the property; and
   (vi) location, use and condition of the property.

(g) Upon termination of the grant, the DEPARTMENT may require the GRANTEE to deliver to the DEPARTMENT any property specifically produced or acquired for the performance of this grant.

(h) As an alternative to the provisions of (a) - (g), the GRANTEE may elect to furnish property for use in the performance of this grant out of its own funds, for which the DEPARTMENT will reimburse it to the extent of its allocated share of the annual depreciation expense of such property allowed by IRS depreciation schedules.

"Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". (3) Fail to use the certified minority business enterprise in the performance of the contract; or

(4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

A Summary of Certain Federal Fund Requirements and Restrictions

1. Form and rule enclosed: 18 U.S.C. 1913 and Section 1352 of P.L. 101-121 require that all prospective and present sub-grantees (this includes all levels of funding) who receive more than $100,000 in federal funds must submit the form “Certification Against Lobbying.” It assures, generally, that recipients will not lobby federal entities with federal funds, and that, as is required, they will disclose other lobbying on form SF-LLL.

2. Form and instructions enclosed: “Form LLL, Disclosure of Lobbying Activities” must be submitted by those receiving more than $100,000 in federal funds, to disclose any lobbying of federal entities (a) with profits from federal contracts or (b) funded with nonfederal funds.

3. Form and summary of Act enclosed: Sub-recipients of federal funds on any level must complete a “Certification Regarding Environmental Tobacco Smoke,” required by Public Law 103-227, the Pro-Children Act of 1994. Such law prohibits smoking in any portion of any indoor facility owned or leased or contracted for regular provision of health, day care, early childhood development, education, or library services for children under the age of 18. Such language must be included in the conditions of award (they are included in the certification, which may be part of such conditions.) This does not apply to those solely receiving Medicaid or Medicare, or facilities where WIC coupons are redeemed.

4. In addition, federal law requires that:

A) Title 2 of the Code of Federal Regulations (CFR) 200, specifically Subpart D, requires that grantees (both recipients and sub-recipients) which expend a total of $750,000 in federal assistance shall have a single or program-specific audit conducted for that year in accordance with the provisions of the Single Audit Act of 1984, P.L. 98-502, and the Single Audit Act Amendments of 1996, P.L. 104-156 and Title 2 CFR 200, Subpart D. All sub-grantee audit reports, performed in compliance with Title 2 CFR 200 shall be forwarded within 30 days of report issuance to the State Project Manager.

B) All sub-recipients of federal funds comply with Sections 503 and 504 of the Rehabilitation Act of 1973, the conditions of which are summarized in item (C).

C) Recipients of $10,000 or more (on any level) must include in their contract language the requirements of Sections 503 (language specified) and 504 referenced in item (B).

Section 503 of the Rehabilitation Act of 1973, as amended, requires recipients to take affirmative action to employ and advance in employment qualified disabled people. An affirmative action program must be prepared and maintained by all contractors with 50 or more employees and one or more federal contracts of $50,000 or more.

This clause must appear in subcontracts of $10,000 or more:

1) The Grantee will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The Grantee agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all upgrading, demotion or transfer,
recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

2) The Grantee agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

3) In the event of the Grantee’s non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

4) The Grantee agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the director, provided by or through the contracting office. Such notices shall state the Grantee’s obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

5) The Grantee will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Grantee is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

6) The Grantee will include the provisions of this clause in every subcontract or purchase order of $10,000 or more unless exempted by rules, regulations, or orders of the [federal] Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The Grantee will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.

Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. Sec. 791 et seq.) prohibits discrimination on the basis of handicap in all federally assisted programs and activities. It requires the analysis and making of any changes needed in three general areas of operation—programs, activities, and facilities and employment. It states, among other things, that:

Grantees that provide health ... services should undertake tasks such as ensuring emergency treatment for the hearing impaired and making certain that persons with impaired sensory or speaking skills are not denied effective notice with regard to benefits, services, and waivers of rights or consents to treatments.

D) All sub-recipients comply with Title VI of the Civil Rights Act of 1964 that they must not discriminate in participation by race, color, or national origin.

E) All sub-recipients of federal funds from SAMHSA (Substance Abuse and Mental Health Services Administration) or NIH (National Institute of Health) are prohibited from paying any direct salary at a rate more than Executive Level II of the Federal Executive pay scale, per year. (This includes, but is not limited to, sub-recipients of the Substance Abuse Prevention and Treatment and the Community Mental Health Block Grants and NIH research grants.)

F) There may be no discrimination on the basis of age, according to the requirements of the Age Discrimination Act of 1975.

G) For any education program, as required by Title IX of the Education Amendments of 1972, there may be no discrimination on the basis of sex.
H) For research projects, a form for Protection of Human Subjects (Assurance/ Certification/ Declaration) should be completed by each level funded, assuring that either: (1) there are no human subjects involved, or (2) an Institutional Review Board (IRB) has given its formal approval before human subjects are involved in research. [This is normally done during the application process rather than after the award is made, as with other assurances and certifications.]

I) In addition, there are conditions, requirements, and restrictions which apply only to specific sources of federal funding. These should be included in your grant/contract documents when applicable.
ADDENDUM
ADDITIONAL TERMS AND CONDITIONS FOR CONTRACTS USING FEDERAL FUNDS

1. **Copeland “Anti-Kickback” Act, 40 U.S.C. § 276C AND 18 U.S.C. § 874.** The Grantee or subcontractor is precluded from inducing an employee to give up any part of the compensation to which he or she is entitled under his or her contract of employment under the “Anti-Kickback” section of the Act. The Act also requires the Grantee and subcontractor to submit a weekly statement of the wages paid to each employee performing on covered work during the preceding payroll period.

2. **Royalty-Free Rights to Use Software or Documentation Developed, 2 C.F.R. Part 200.315 (Intangible Property).**
   
   (a) Title to intangible property (see §200.59 Intangible Property) acquired under a federal award vests upon acquisition in the non-Federal entity. The non-Federal entity must use that property for the originally-authorized purpose and must not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in §200.313 Equipment paragraph (e).

   (b) The non-Federal entity may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under a federal award. The Federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes and to authorize others to do so.

   (c) The non-Federal entity is subject to applicable regulations governing patents and inventions, including government wide regulations issued by the Department of Commerce at 37 C.F.R. Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Awards, Contracts and Cooperative Agreements.”

   (d) The Federal government has the right to:
   
   (1) Obtain, reproduce, publish, or otherwise use the data produced under a federal award; and
   
   (2) Authorize others to receive, reproduce, publish, or otherwise use such data for federal purposes.

3. **Debarment, Suspension and other responsibility matters** (Executive Orders 12549 and 12689) (see 2 C.F.R. 180.220 and 45 C.F.R. 75.212). A party listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. Part 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), “Debarment and Suspension” is not eligible to perform work under this MOU. SAM Exclusions contains the names of parties

4. **Anti-Lobbying Act**: This Act prohibits the recipients of federal contracts, grants, and loans from using appropriated funds for lobbying the Executive or Legislative branches of the Federal government in connection with a specific contract, grant, or loan. As required by Section 1352, Title 31 of the U.S. Code and implemented at 2 CFR 200, Subpart F, Appendix II, for persons entering into a grant or cooperative agreement over $100,000, as defined at 31 U.S.C. 1352, the applicant certifies that:

(a) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement;

(b) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form – LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions;

6. **Drug Free Workplace Statement**. The Federal government implemented 41 U.S. Code § 8103, drug-free workplace requirements for federal grant recipients, in an attempt to address the problems of drug abuse on the job. Therefore, in order to remain a responsible source for government contracts, the following guidelines have been adopted:

(a) The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the workplace.

(b) Violators may be terminated or requested to seek counseling from an approved rehabilitation service.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro Children Act of 1994, Part C Environmental Tobacco Smoke, requires that smoking not be permitted in any portion of any indoor facility owned, or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated or maintained with such Federal funds. The law does not apply to children’s services provided in private residences, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole sources of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this certification, the offeror/contractor (for acquisitions) or applicant/grantee (for grants) certifies that the submitting organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The submitting organization further agrees that it will require the language of this certification to be included in any sub-awards which contain provisions for children’s services and that all sub-recipients shall certify accordingly.

RECITALS

WHEREAS, the Grantee has been awarded a contract (the “Grant”) following the solicitation for _____, Solicitation #_____; and

WHEREAS, in order for the Grantee to perform the work required under the Grant, it will be necessary for the State at times to provide the Grantee and the Grantee’s employees, agents, and subcontractors (collectively the “Grantee’s Personnel”) with access to certain information the State deems confidential information (the “Confidential Information”).

NOW, THEREFORE, in consideration of being given access to the Confidential Information in connection with the solicitation and the Grant, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties do hereby agree as follows:

1. Confidential Information means any and all information provided by or made available by the State to the Grantee in connection with the Grant, regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such. Confidential Information includes, by way of example only, information that the Grantee views, takes notes from, copies (if the State agrees in writing to permit copying), possesses or is otherwise provided access to and use of by the State in relation to the Grant.

2. Grantee shall not, without the State’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information provided by the State except for the sole and exclusive purpose of performing under the Grant. Grantee shall limit access to the Confidential Information to the Grantee’s Personnel who have a demonstrable need to know such Confidential Information in order to perform under the Grant and who have agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. 6. Grantee shall, at its own expense, return to the Department all copies of the Confidential Information in its care, custody, control or possession upon request of the Department or on termination of the Grant.

7. A breach of this Agreement by the Grantee or by the Grantee’s Personnel shall constitute a breach of the Grant between the Grantee and the State.
