SECTION III: SAFETY INFLUENCES

Yes No

- | | Yes | No |
|---|-----|----|
| 1. A caregiver is unable or unwilling to protect the child from the alleged maltreater. | | X |
| 2. A caregiver's threat to harm the child places the child in immediate danger. | | X |
| 3. There has been an act of maltreatment in which a weapon or object (e.g. gun, knife, cord, hanger, etc) was used to inflict or threaten harm and suggests the child is in immediate danger. | | X |
| 4. A review of department records (e.g. reports, investigations, open service cases) and/or personal observation reveals that a caregiver or any adult residing in the home, or with frequent access to the child has a history/pattern of violence towards others, sexual assault or any form of child maltreatment that places the child in immediate danger. | | X |
| 5. A caregiver describes the child extremely negatively or acts extremely negatively towards the child, which places the child in immediate danger. | | X |
| 6. A caregiver's suspected or observed drug or alcohol use places the child in immediate danger. | | X |
| 7. A caregiver lacks the knowledge, skill, or motivation in parenting (e.g. extremely unrealistic expectation) and this places the child in immediate danger. | | X |
| 8. A caregiver's behavior resulting from mental or physical illness or disability places the child in immediate danger. | | X |
| 9. A caregiver's justification or denial of his/her own harmful behavior, or the harmful behavior of others, and this places the child in immediate danger. | | X |
| 10. There is no caregiver or substitute caregiver to adequately plan for the child's supervision, and this places child in immediate danger. | | X |
| 11. Domestic violence poses an immediate threat to a child. (A separate protection plan for adult victim may be necessary). | | X |
| 12. Environmental hazards place the child in immediate danger; including the fact that there is no caregiver or substitute caregiver who is capable of obtaining resources to meet the child's immediate need for food, clothing, and/or shelter. | | X |
| 13. The child's whereabouts are unknown, the family refuses access to the child or other children in the household, or there is reason to believe the family will flee. | | X |
| 14. The child has special needs, behaviors or medical concerns that the caregivers do not meet and that places the child in immediate danger. | | X |
| 15. The child's extreme anxiety or fear about the current placement or home environment indicates the child is in immediate danger. | | X |
| 16. The child is under age six or unable to protect self and conditions in the home indicate immediate
(If yes, this case must be immediately staffed.) | | X |
| 17. A child in the home has sustained a serious injury, which the caregiver does not sufficiently explain. | | X |
| 18. Services provided to a caregiver regarding similar harmful behavior resulted in no change, placing the
(if yes, this case must be immediately staffed.) | | X |
| 19. There are multiple reports from the community (If yes, this case must be immediately staffed with a multi disciplinary team.) | | X |
