

APPLICATION FOR CHILD SUPPORT SERVICES

Dear Applicant:

We are pleased to provide you with the information you requested about applying for child support services. The services available through the child support program include: location of the non-custodial parent, establishment of paternity, establishment and enforcement of child support and medical support, review and adjustment of child support orders, and collection and disbursement of child support payments.

APPLICATION FORMS: Enclosed in this packet are two forms: 1) *Application for Support Enforcement Services*; and 2) *Information for Child Support Services*; and the *How to Get Help* brochure.

Please read the application forms carefully and answer all questions completely, using full names. Please type or neatly print this information, as this information will be entered into our computer system. You must complete a separate set of forms for each person from whom you want support.

APPLICATION FEE: There is a \$15.00 **non-refundable** application fee, which must be paid at the time you submit your forms. Only one (1) \$15.00 application fee is required. The application fee may be paid by certified check, cashier's check, or money order and must be made payable to the **Maryland Child Support Account**. However, if you are a current or former recipient of Temporary Cash Assistance or Medical Assistance benefits in the State of Maryland, you may qualify for an exemption from the fee.

OTHER DOCUMENTS: Please attach copies of the following items that apply to your situation: marriage certificate; adoption certificate or affidavit of parentage; social security cards for you and your children; divorce decree; guardianship, child support, custody, paternity, civil or ex parte orders.

WHERE TO MAIL APPLICATION: The completed application forms, \$15.00 application fee (if required), and other relevant documents should be mailed to the Child Support Office in the county where you reside. **See reverse side for location addresses.**

PROCESSING YOUR APPLICATION: Upon receipt of your complete application package, the child support agency will review your case to determine what action must be taken. Failure to provide the necessary information or documentation, if it is applicable to you, will result in your application being returned to you for you to provide the required information. You will be contacted if it is necessary for you to appear in person at the child support agency. If you are requesting enforcement of an existing child support order, the child support agency will automatically send a notice to the non-custodial parent to direct the child support payments to the Central Collection's Office, and any payments received will promptly be forwarded to you.

QUESTIONS: If you have any questions, please call 1-800-332-6347.
